- ❧ You may also submit an application even if there is no known offender. While the incident must be reported to law enforcement or an investigative agency (DFCS, APS, the courts, medical authorities, or the school system), arrest and/or prosecution of an offender is not a program or eligibility requirement.
- ❧ If you are not the primary policyholder and are a victim of sexual assault or family violence, you may opt out of providing insurance information for this incident by checking the opt-out box in Section 6 of the application.
- ❧ We are the payor of last resort. We cover expenses not paid by insurance, including Medicaid/Medicare or other monetary resources.
- ❧ Benefits received are based on actual eligible expenses and itemized bills must be submitted with your application for review.
